

We're Flying for Your Life®

Patient Criteria

MIRACLE FLIGHTS FOR KIDS is committed to providing our patients with optimum conditions for comfort and dignity. In order to accomplish this, we have established criteria to aid us in accepting those patients who will benefit to the greatest extent from our charitable flights.

- ◆ Must be able to board the aircraft unassisted. No stretchers permitted. Wheelchairs are permitted.
- ◆ May be a blood or organ donor.
- ◆ Must not be on any life support systems. Equipment or oxygen must be approved by the commercial airlines. Additional information may be required.
- ◆ Must provide a doctor's statement on letterhead from the patient's local and treatment site doctor confirming the medical diagnosis/condition, the reason for travel, all appointment date(s), and the return date.
- ◆ Must be going to or from a recognized treatment center.
- ◆ Must arrange ground transportation for themselves and family members to and from the airport.
- ◆ Must give **10 business days** advance notice of flight requirements, confirming the exact date and time of appointment(s).
- ◆ Must not be on any medications that may cause adverse effects at altitude.
